General Data Protection Regulation comes into effect on 25 May 2018. Like all other organisations with individual members, this means that Willesden Local History Society will need your permission to keep your personal data and consent to contacting you by email, post or telephone. By being a member of Willesden Local History Society you give explicit consent for the data the Society has about you to be stored safely and securely by us, both on paper and electronically. We never share this information with any third party organisations and only use it for the purposes of contacting you in relation to Willesden Local History Society. If you agree with the above, please sign the permission slip below.

Signed. _____
